Priority	Criterion
1	Priority is given to siblings of children already in the school or who have attended the school in the past. If the class is over-subscribed on the basis of this criterion, then places will be allocated on the basis of age, starting with the oldest applicant, until all places are allocated. (Please note that prospective pupil's age is important. We cannot have a situation where a 4 year old with siblings in the school gets a place over a six year old with no siblings in the school)
1	Families whose primary residence is in the immediate areas of the Parish of Kill, Ardclough & Johnstown. The school relies on a map displaying a defined catchment area. Eircodes are used to aid precise locations.
1	Children of current <u>permanent</u> school staff. The Board may consider the phasing out of this as a criteria within the next few years.
2	Children outside of the parish If the class is oversubscribed within the application of this particular criterion, then those whose primary residence is furthest from the school will be eliminated first. Eircodes are used to aid precise locations. Google Maps and AA route planner or equivalent may be used.
If space is still available, class numbers are completed from the Waiting List, which is compiled and ordered according to the age of the pupil if the application is received in correct time frame. The criteria are listed in order of priority when spaces are allocated under criterion 1 and space is still available, then criterion 2 comes into play and so on. This prioritization proceeds until all places have been allocated.	

6 OVERSUBSCRIPTION

In the event that the school is oversubscribed, the school will, when deciding on applications for admission, apply the following selection criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the school's annual admission notice:

[See Guidance Note \(Section 6\)](#)

In the event that there are two or more students tied for a place or places in any of the selection criteria categories above (the number of applicants exceeds the number of remaining places), the following arrangements will apply: Older child gets preference
